School to Home – Week 11 - Term 6

It was such a delight to be able to welcome the Rec, Y1 and Y6 pupils who felt able to return on Monday, at what is the start of Term 6.

We were so pleased to have some more children back in our school and the feedback shows that the children also liked coming back. It's been a very good week in school and everyone is adapting well to our new way of operating, to comply with the guidance we have been given.

Dear Parents and Carers,

To keep all children in mind, we have created a photo wall with a picture of every learner, the class and year group they belong to.

Teachers have asked you to get in touch with them again this week please. Communication is so important; we are here for everyone so please do take a few minutes to send your class teacher an email. If you haven't managed to do this by Friday morning, you will receive a text; if we still haven't heard from you the teacher will phone you next week.

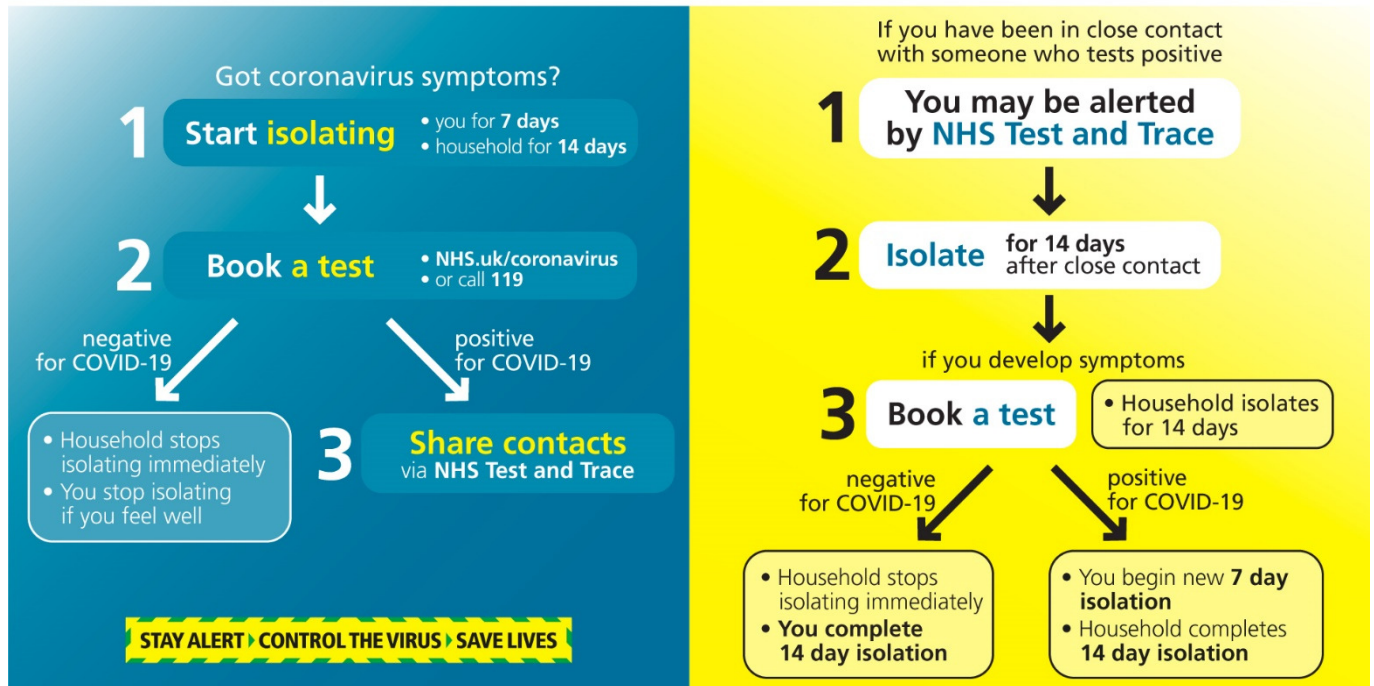

Understandably, there were some nervous people on Monday, but things have settled down, and thanks to everyone's responsible approach, we have followed all the guidelines. At the moment, we do not yet know any more about further opening of schools. Our fundamental principle is to put the educational and emotional needs of our children first, therefore we have started to think about opportunities for whole class events and transition work.

We continue to run our key worker childcare; please email us covid19@beechgreen.gloucs.sch.uk if you think you are in this group. Thank you for your continued support.

Mrs Julie Poulson - Headteacher

NEW - NHS Test and Trace

We are told that since Monday, this new system is up and running, so anyone who has symptoms of Coronavirus can now get a test. This is what you are advised to do...

Beech Green Photography Competition – Now closed

Many thanks to everyone who has shared some of their photos over the lockdown period. We really enjoyed seeing your entries, which we have now shared with you via this newsletter over the weeks. The competition has now closed and next week we will publish the winning photos in both categories.

'Lonely Flower' by Merryn Ford Y4

'Propeller Plant' by Elowen Ford Y1

Finally,

An act of kindness... Katie Mandeville in Y5 made this little nurse and sent it to the nurses working on the Covid-19 ward at GRH. By means of a thank you, one of them took this photo and sent it to Katie, who shares it with us all today.

The nurses have named the little nurse 'Katie', which sits watching over the ward.

We just loved this story and the photo of selfless, healing hands.

Well done to all the NHS staff, Carers and all those who have worked tirelessly to support us all. We hear, that maybe the clap for carers is coming to an end, but we will not be forgetting the brilliant work you have done and still continue to do each day.

Thank you.

Take care, stay safe, good health.
