<i>We will pay for a popular extra-curricular football club, so the costs will not have to be met by parents</i>	<i>£1500 (Based on 50 children completing 12 sessions @£2.50 per session)</i>	Higher participation levels and as a school we will be able to cater for the very high demand for an after school football club. This will be open to different age groups, including Key Stage One, at varying times of the year.	On-going
<i>We will pay for or heavily subsidise the cost of transporting children to sporting events and activities</i>	<i>£1200 (Based on 6 events at an average cost of £200 per event)</i>	Parents and Carers will not be discouraged from allowing their children to participate in off-site sporting activities because of difficulties around safely transporting their child to events and activities, thus increasing participation levels especially from our "disadvantaged" children	On-going
<i>Following a comprehensive audit, we will purchase new PE resources and equipment, such as balls, rackets, and skipping ropes, as well as specialist equipment to enable us to focus on particular areas of the curriculum and certain team sports.</i>	<i>£2200</i>	This will improve PE teaching and provide better learning opportunities because the children will be using good quality equipment, which is in good condition and appropriate for their age We will have all the necessary equipment to compete in inter-school tournaments and leagues, such as Kwik Cricket and Rounders.
