

BEECH GREEN PRIMARY SCHOOL

Newsletter for Wednesday 30th September 2015

A message from Mr Woolston: - Dear Parents and Carers,

I hope this newsletter finds you in good health. As usual it contains a lot of important and helpful information.

Lunchtime Arrangements

You may be aware that we have experienced a few problems with the food service at lunchtime, which has meant that some children have been late into the hall to eat their meal. This has been due to a number of different factors, such as our new reception children getting used to having school dinners for the first time and a change in meals provider. We apologise for these initial teething problems and we are confident that they will be quickly resolved.

Kenyan Visitors

You will see from the attached photograph that we had some African visitors to school last Friday. Kinaro, Rosemary, Gerrard and James are participating in a partnership arrangement with a number of Gloucestershire schools and we were only too pleased to welcome them to Beech Green for lunch, followed by a tour of the school with our House Captains. Our guests then spent some time in Y5 and Y6 talking to our pupils about their lives in Kenya and how different their schools are, as well as answering some very interesting questions, posed by our very enthusiastic children. Kinaro has been staying at my home for some of his visit and he told me how impressed he was with our school but particularly our pupils because they were so well behaved and proud of their school. Well done and thank you to everyone who made our visitors feel welcome.

Information Event for Parents and Carers

I recently wrote to you about the possibility of holding an information event after school on Wednesday 7th October, so we could keep you up to date with the changes we've made to our school curriculum and our assessment procedures. About 35 slips have been returned, so we have decided to go ahead with the event. If you haven't returned your slip but still want to come, please don't worry - everyone is welcome! Because there haven't been any changes to the Early Years curriculum, the event is more suited to parents of children in Years 1 to 6 but again, everyone is welcome - you may well want to find out about what your child will be learning in future years. Please meet in the hall and we'll aim to get started at 3:30pm and finish by about 4:30pm. As promised to help with any child care issues, children of all ages will be supervised in Class 1 and 2 for the duration of the meeting. Please take your child there immediately after school before heading to the hall - thank you. I appreciate that the timing of this event will not suit everyone but we had to choose a time to suit the majority, including members of staff who have their own family commitments. If you're unable to attend, information will be sent home and of course you're welcome to speak to your child's class teacher if you have any questions. We do feel that this is a really important opportunity for you to find out about what's going to be happening in school this year and so we hope to welcome as many parents and carers as possible.

Best wishes to all our parents and carers. **Mr R Woolston - Headteacher**

KS1 please have a school dinner tomorrow on PLASC day special dinner menu Thursday 1st October (Cowboy Special Day)

The meals are universally free to everyone in KS1 and cost £2.20 for children in KS2. Tomorrow's special menu will be:- Yeeha!
Hot Dogs served with optional onions

Homemade Spicy Vegetable Burger served with optional onions

Jacket Wedges, Baked Beans and Sweetcorn

Sticky Toffee Apple Crumble served with custard

School Security

We have closed gates and doors around the outside of the school to keep your children safe. Our site manager (Mr Morris) is concerned that some parents are propping the playground gate open by putting the gate pole down. Not only does this mean that the gate is open, but it is also damaging the gate. PLEASE DO NOT PROP ANY OF THE SCHOOL GATES OPEN as this undermines the security of our children.

Car Park

Once again we are very concerned about the issue of children being dropped off in, or walking across the car park (often with an adult). Please do not use the car park to drop off your children (TESCO are happy for you to park there but please do not park in the surgery car park) and please do not walk across the car park - it is dangerous and there is a pedestrian gate and walk way to the side.

European Day of Languages

Last Thursday, the whole school had a great time celebrating the European Day of languages. In **Reception**, children made Tricolour flags, ate croissants and learnt how to say "Hello" and "Goodbye" in French. In **Year 1**, children heard the story "3 little pigs" in Italian. They ate pizza and learnt how to count as well as the names for animals in Italian.

Year 2 tasted Black Forest Gateaux, learnt the numbers 1-10 and were really fortunate to have a native German speaking mum in to read a story and play Simon says in German.

In KS2, **Year 3** played bingo with Welsh numbers, made Welsh flags and daffodils and cooked delicious Welsh cakes. In **Year 4**, children sang number songs and found famous land marks in Italy. They also made tasty pizzas and Italian Flags. **Year 5** also had Simon's German speaking mum to visit. They learnt numbers, colours and greetings and ate bratwurst and stollen. Read about **Year 6** below-

"In Year 6 everyone had the chance to make fact posters about Switzerland and we sang head, shoulders, knees and toes in French, Italian and German. We learnt the languages of Switzerland which were: French, Italian, German, and Romansch. In the afternoon, we tried cheese fondue, Swiss Christmas cookies and finally some yummy Swiss chocolate (Toblerone). And just to round it all off we did some yodelling, that everyone seemed to enjoy!"

Maths Passports

We have only recently been given access to the amended information regarding maths passports. As such we are currently processing this new information into year group targets, which will be available to parents/carers at the forthcoming parents evening. Once again thank you for your patience.
