### School to Home – Week 12

Dear Parents and Carers,

This letter, from a pupil in our school, sums up what we have all been thinking about this week. We wonder how Boris Johnson will reply. The Government has asked individual schools to decide if they have the capacity to safely open for more pupils. We'd like to know what you think, many of you have already told us you'd love to be back, while others are understandably worried about the risks or thriving at home. With our part-time approach and a committed staff team we may be able to offer something, but we really need to know numbers before making the final decision.

Attached is a separate letter about the possible return for more year groups and a FAQ sheet. Please can you **all** complete this survey by **12 noon on Tuesday 16<sup>th</sup> June**.

I will take all the information to the governors; we will make and publish our decision by Thursday 18<sup>th</sup> June. We continue to run our key worker childcare; please email us [covid19@beechgreen.gloucs.sch.uk](mailto:covid19@beechgreen.gloucs.sch.uk) if you think you are in this group.

Thinking of you all,

Mrs Julie Poulson - Headteacher

## **Beech Green Photography Competition Results**

As promised, here are the winning photographs for both Pupil and Adult categories of our photo competition. The team of judges agreed that the photos were all very good, which made it very hard to choose between them, but the top two were chosen as thought provoking and cleverly depicting the lockdown period. By sheer coincidence, and unknown to the judges, the winning photos are from the same family – clearly they have a talent!

Many thanks to everyone who sent in a photo; we hope you continue to enjoy photography as a hobby.

## School Uniform

We have a good stock of most uniform and if you would like to order something ready for the autumn, then please email your order to [admin@beechgreen.gloucs.sch.uk](mailto:admin@beechgreen.gloucs.sch.uk), giving a subject title of 'Uniform Order.' Please remember to state which garments you require, size, quantity and your child's name. Please email your orders asap, or print and send in an order from the website, by the 26<sup>th</sup> June. We will endeavour to get as much uniform out to you by the end of this term and will let you know when your order is ready and how you pay and collect.

## Uniform Upcycle Swap

If you have nearly new uniform at home which your child is growing out of, please hang on to it as once social distancing rules are relaxed further, hopefully some time next academic year, we will be able to arrange a uniform swap. Our thought is you could donate your uniform and then take something in similar good condition at the next size. At the moment, we have no idea when this might be permitted, but it's a thought we have to upcycle the clothing you probably have sitting at home.

Take care, stay safe, good health.
