"Believe Grow Persevere Succeed"

Newsletter for Thursday 8th July 2021

Dear Parents and Carers,

Thank you again for your support and willingness to work with us, as we all try to follow government guidance through this last week. Your willingness to tell us about every cough or ache has been so helpful. We know how difficult this has been for many of you. The guidance for September has been in the news this week; from experience we know this might change. I will send a Parent Mail in the last week of August, which will explain any changes to our one-way system and drop off times.

Children have met their new teachers and arrangements for transition sessions for anyone at home have been made. Look out for a Parent Mail with information and contact details.

We are so proud of your children, they have worked hard, played together and embraced every opportunity to learn. Pupils do not need to wear uniform on Thursday 15th July. Our aim is to have a reward day to say 'thank you'.
