

Beech Green Primary School

"Respect, Achieve, Belong"

Newsletter for Thursday 7th October 2021

Dear Parents and Carers,

I had the privilege of teaching two classes this week, it was such a joy to see how much learning is happening across the whole school. Beech Green pupils are working hard, they are focused, engaged and trying their best. Pleasingly they are also making mistakes and learning from them.

Today, on my daily wander about, I asked the children to tell me what they'd learned in the twenty-five days they've been working at school. I was overwhelmed with responses, enthusiasm and so much knowledge!

We might be biased, but we think we have the best learners. Of course, this doesn't mean they are constantly learning or make the same progress over time; there will be highs and lows. It is the children's attitudes that make us proud. Their 'can do' approach, more than anything else, is helping them achieve. I hope you find the meetings with teachers on Tuesday 12th or Wednesday 13th October (next week) useful. You can always make a separate appointment after half term if you have more to discuss.

Finally, please do support the Bug Hunt this Sunday. The route takes about an hour and there is cake at the end or the start.

Football Match Report

The ESFA Tournament last Thursday was our first competition together. All of the rounds were brilliant but the finals were the most exciting round. All in all, it was a great experience for everyone. Having lost our first three matches 1-0 in really close games in heavy wind and eternal rain, in the last game we won against Calton School 2-0. The goal scorers were brothers Daniel and William Walker.

By Charlie Plumb, Charlie Judges and Lily Hamilton. Well done everyone.
